We know how important it is for families to feel comfortable too, which is why we also have dedicated parent facilities and work closely with parents every step of the way.

With **Worthing Station** and **West Worthing Station** is just down the road, providing convenience.

Fees for:

For 3 months – 9 months old

Miss B's Nursery is pleased to offer care for children from as early as 3 months of age. While government-funded childcare is currently available from 9 months onwards (subject to eligibility and scheme criteria), places for children under this age fall outside of the funded provision. Therefore, families requiring care for children aged 3 to 9 months will be required to pay private fees. Full details of our fee structure are provided below for your reference.

If your child attends for 38 weeks of the year (during school term time), you will receive a discounted rate on our private fees for the remaining 11 weeks of the year that we are open.

Transparency

- We have two different fees that apply on different days in the year, because we allow for the full 30 hours of funding a week for the full 38 weeks a year, and therefore provide a far cheaper rate in this time for extra hours, facilities, consumables, and food, to make life as easy as we possibly can for the parents. Then, in the other 11 weeks of the year, our private fees apply at a discount, as funding isn't allocated (since those weeks fall outside the 38-week funding period).
- We do not charge parents for the 3 weeks (two weeks over Christmas and the final week in August) when the nursery is closed.
- The EYFS funding is only provided for 14 weeks in the Autumn Term (see our calendar on our Admissions & Fees Policy for further details).
- Bank Holidays and INSET days are included on invoices.
- We scatter 5 INSET days across the year; these are used to train our staff to keep your children safe and ensure best practice is always maintained, and/or to set up and prepare something for your children to enjoy.
- If your child is off due to illness or holiday, the session is still chargeable.
- If a child is collected late, a charge of £15 per 15 minutes (and every 15 minutes after (1-15,16-30,31-45,46-60 min)) will apply as digitally recorded by the staff member on the day.
- Late payments incur an automatic charge of £15, plus an additional £15 for each week after (from day 8 onwards), until the balance is settled.
- Parents or carers may request a payment plan (monthly invoices), rather than one invoice for the term ahead. They are offered at the discretion of Miss B's Nursery and will incur a £15 administration fee per term, added to the first invoice sent in the first month. They are reviewed each term, and the late instalments will incur standard late payment charges.
- Changes requested during the academic year incur a £15 administration fee per change, subject to availability, with 4 weeks' notice.
- Our catering company/ in-house cook provides a healthy, balanced meals every day. Breakfast at 8:00 am (£1.00), AM snack at 10:00 am (£0.42), Lunch + side dish + second course at 12:00 pm (£2.46), PM snack at 2:00 pm (£0.43), Dinner + side dish + second course at 4:00 pm (£1.73). These have already been included in the fees, but if you wish to provide your own food, it must align with what we serve at the nursery. The menus will be provided to you ahead of time to prepare them, in accordance with the Consumables, Food and Allergy Policy.
- Fees include all consumable items such as sun care, nappies, creams, activities/resources above the core EYFS, and much more, at only £2.00 per day (or £1.00 for a half day). We only ask parents to provide their child's formula if it is still needed, due to varying preferences.

Please also see our Terms & Conditions for further details.
